E) TEACHING EXPERIENCES

- **Professor, Universidad Pontificia Bolivariana (Medellín, Colombia), 2019.**

Doctorate in Social Sciences, specialization in Rural Studies.

Curso: Meetings for rural territorial development: 'alternative' visions and perspectives according to the geographic-economic approach.

- **Professor, FLACSO Ecuador, 2013 - 2019**

Master degree in Development Economics, Master in Local and Territorial Development, Economics and Business Management; Doctorate in Development Economics; Continuing Education Courses. Department of Development, Environment and Territory.

Course: Economy, Environment and Territory, Social and Solidary Economy (shared with Prof. José Luís Coraggio, Universidad Nacional de General Sarmiento - UNGS), Geography and Rural Development, Thesis Workshop I (research methodology), II (structuring a research plan) y III (applied research step)

- **Professor, University of Caldas, Manizales (Colombia), 2018**

Doctoral Program in Territorial Studies, Faculty of Law and Social Sciences, Department of History and Geography, Andean Global Regional Chair.

Course: The Territorial Development Perspective in the Ecuadorian Andes according to the Geographical-Economic Approach.

- **Professor, Alma Mater University of Bologna (Italy), 2018**

Master in Economics of Cooperation, School of Economics and Statistics.

Seminar class: The cooperation in the development. The case of Salinas de Guaranda, Ecuador. A look at the potential contribution of SMEs and cooperative MiSMEs between territory identity, reciprocity and market.

- **Professor, Instituto de Altos Estudios Nacionales – IAEN (Ecuador), 2018**

Course: Introduction to the Social and Solidary Economy.

- **Professor, Universidad Andina Simón Bolívar (Ecuador), 2016**

Doctorate in Latin American Studies.

Course: Latin American Social and Political Thought (shared with Prof. Liisa North – York University, Canada).

- **Professor, FLACSO Ecuador, 2015**

Course: Continuing Education Course "The Cooperative Firm: Identity, History, Strategy of a Success Model".

- **Professor, Universidad Técnica de Ambato (Ecuador), 2014**

Direction of Distance and Virtual Education.

Course: Specialization Course in the area of Regional and Territorial Development "Territory and Local Development according to the Geographical-Economic Perspective".

- **Professor, UTE – Universidad Técnica Equinoccial (Ecuador), 2014**

Faculty of Economics and Business Sciences, in collaboration with the International Cooperative Alliance and the National Police Cooperative of Ecuador.

Course: Social Economy.

- **Professor, Alma Mater Studiorum University of Bologna, Department of Quality of Life Sciences, Rimini Campus (Italy), and AIIG Emilia-Romagna, 2013.**

Seminar class: Rural Tourism and Sustainable Local Development: experiences in comparison".

- **Professor, AIIG Emilia-Romagna, 2013.**

Seminar class: The challenge of sustainability between development and territory: the Galapagos case.

- **Professor, AIIG Emilia-Romagna, 2013.**

"Images and suggestions from Ecuador: a history of development, solidarity and cooperation".

- **Professor, Programa Erasmus LLP-IP Valortur - Valencia 2012 (Spain), 2012**

In collaboration with the University of Cassino (Italy), University of Valencia (Spain), University of Paris 1 "Panthéon Sorbonne", Alma Mater Studiorum of Bologna - Rimini Campus.

Course: Tourism and Environmental and Social Carrying Capacity.

- **Professor, UniMoRe – University of Modena and Reggio Emilia (Italy), 2012**

Faculty of Human Sciences. Course: Cultural Geography.

Seminar class: "Tourism, environment and society: conflicts and development dynamics in fragile natural contexts. The case of the Galapagos Islands " and "Participatory democracy and cooperation in development processes in Ecuador. The case of Salinas de Guaranda ".

- **Professor, Alma Mater Studiorum University of Bologna (Italy), Faculty of Economics - Rimini Campus, 2011**

International Summer School in Geography of Tourism "Tourism between Green and Blue Economics: the future of mass consumption. New and Innovative Directions for the Development of Sustainable Tourism".

Seminar class: Green Tourism in the Galapagos Islands: a Challenge for Development.

- **Professor, Alma Mater Studiorum University of Bologna (Italy), Faculty of Tourism Economics - Rimini Campus, 2010.**

Seminar class: The path of sustainability. Lecture for the course of Geography of Tourism.

- **Professor, Alma Mater Studiorum University of Bologna (Italy), Faculty of Economics - Rimini Campus, September 2010**

International Summer School in Geography of Tourism "Culture, Tourism and Territorial Development: communicating and telling places".

Classes: "Introduction to Summer School 2010" and "How to write a paper".

- **Assistant Professor, Alma Mater Studiorum University of Bologna (Italy), 2008 - 2012**

Department of History, Anthropology and Geography. Faculty of Economics, and Department of Studies for the Quality of Life - Faculty of Economics, Administration and Statistics.

Course: Economic Geography, Tourism Geography, Tourism and Heritage, Cultural Tourism Geography, Computerized Cartography and Tourist Itineraries.

- **Assistant Professor, Alma Mater Studiorum University of Bologna (Italy), 2004 –2006**

Faculty of Economics, Department of Economics - Forlì Campus.

Course: Economic Geography.

F) RESEARCH THEMES

Territorial and Local Development (according to the geographical-economic perspective); Community-based Development (Endogenous Development); Firms' agglomerations, industrial districts and productive SMEs systems; Economics of Cooperative Firms and Organizations (Social and Solidarity Economy); Economic and Political Geography of Natural Resources; Territorial Rural Development; Geography of Tourism and Sustainable Tourism Development.

G) RESEARCH EXPERIENCE

- *FLACSO Ecuador, Department of Development, Environment and Territory:*
 - 2019 - 2020 - FDA (Funds for Academic Development) Project: "Studying the Ecuadorian district: a comparative analysis between the Marshallian-Becattinian model and the leather manufacturing sector of Quinsapincha (Ecuador).
 - 2017 - 2018 - FDA (Funds for Academic Development) Project: Development of industrial districts as drivers of growth and employment based on national experiences. The cases of Cotacachi (Ecuador).
 - 2013 – 2014 - Coordinator of the EuropeAid ALFA III SERIDAR project "Rural Society, Economy and Natural Resources. Integrating competencies in Rural Development".
- *Alma Mater Studiorum University of Bologna (Italy), Department of Economics:*
 - 2016 – 2017, in collaboration with SEPS - Superintendence of the Popular and Solidary Economy (Ecuador) - Project: "The evolution of company culture in the cooperatives firms: an international comparison of work organization, surplus distribution and value systems".
